General Specification

|                          |                               |                                          |                          |
|--------------------------|-------------------------------|------------------------------------------|--------------------------|
| Panel                    | Model Name                    | 24G4ZR                                   |                          |
|                          | Driving System                | TFT Color LCD                            |                          |
|                          | Viewable Image Size           | 60.5cm Diagonal (23.8" Wide Screen)      |                          |
|                          | Pixel Pitch                   | 0.2745mm(H)x0.2745mm(V)                  |                          |
| Others                   | Horizontal Scan Range         | 30k~290kHz                               |                          |
|                          | Horizontal Scan Size(Maximum) | 527.04mm                                 |                          |
|                          | Vertical Scan Range           | 48~260Hz                                 |                          |
|                          | Vertical Scan Size(Maximum)   | 296.46mm                                 |                          |
|                          | Max Resolution                | 1920x1080@260Hz*                         |                          |
|                          | Plug & Play                   | VESA DDC2B/C1                            |                          |
|                          | Power Source                  | 100-240V~, 50/60Hz, 1.5A                 |                          |
|                          | Power Consumption             | Typical(Default Brightness And Contrast) | 18W                      |
|                          |                               | Max. (Brightness = 100, Contrast =100)   | ≤ 28W                    |
|                          |                               | Standby Mode                             | ≤ 0.3W                   |
| Physical Characteristics | Dimensions(with stand)        | 540.0x(493.6~380.6)x207.7mm (WxHxD)      |                          |
|                          | Net Weight                    | 4.38kg                                   |                          |
| Environmental            | Connector Type                | HDMIx2/DisplayPort/Earphone Out          |                          |
|                          | Signal Cable Type             | Detachable                               |                          |
| Environmental            | Temperature                   | Operating                                | 0°C~40°C                 |
|                          |                               | Non-Operating                            | -25°C~55°C               |
|                          | Humidity                      | Operating                                | 10%~85% (Non-Condensing) |
|                          |                               | Non-Operating                            | 5%~93% (Non-Condensing)  |
|                          | Altitude                      | Operating                                | 0m~5000m (0ft~16404ft)   |
|                          |                               | Non-Operating                            | 0m~12192m (0ft~40000ft)  |

\*Overclocking is achieved when resolution is at 1920x1080@260. If any display error occurs during overclocking,please adjust the refresh rate to 240Hz.
