

AOC International (Europe) B.V.

Subject: EU REACH Regulation Compliance Statement

Dear Madam/Sir,

REACH regulation (EC) No. 1907/2006 (Registration, Evaluation, Authorization and restriction of Chemicals), which came into force on June 1st 2007, aims to ensure a high level of protection of human health and the environment, emphasis on substances of very high concern (SVHC) in products. All substances manufactured or imported into the EU at 1 tonne per year or more per manufacturer/importer will be tested and analyzed for risk.

As a responsible and proactive company, the AOC IT Display, states that all products sold by AOC International (Europe) B.V. and all its affiliates, to be REACH regulation compliant, and

- Substances used in AOC products are within the levels of legislation.
- Will communicate all necessary information about chemical "substances of very high concern" (so-called SVHC substances) if that are present in our products in a concentration greater than 0.1 percentage by weight of article.
- Supports the objective of REACH to further improve the European Union's regulation on chemicals, including the aim to advance public health and safety and to protect the environment.
- Working with our suppliers to determine the content of substances in our products.

Yours sincerely,

Stefan Sommer
Director Marketing & Business Europe
