

AOC VESA-P1 bracket offers an easy installation of a small form factor device to AOC monitor of P1th&90th series with height-adjustment base. The device can be mounted directly to the bracket (as the below).

1

Step 1: Assembly bracket compatible device

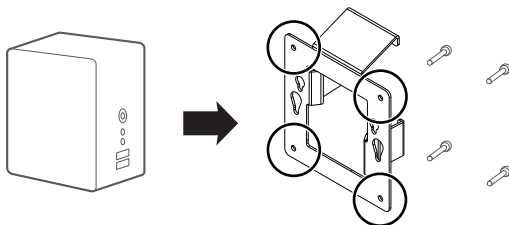

Assembling the screws to the device, aligning the positions of the holes and sliding down to get the bracket and the device together.

or

Step 1: Assembly bracket with VESA(100mm*100mm) compatible device

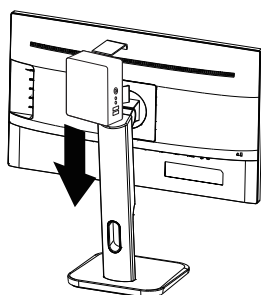

Assembling VESA-P1 bracket with the device, aligning the positions of the holes and using the screws supplied to screw the two together.

2

Step 2

Sliding VESA-P1 with the mounted device into the top of the AOC height-adjustment stand.
