CURVED MONITOR

UltraWide 35" curved monitor for a total gaming experience! G-SYNC technology and 100 Hz refresh rate give you responsive gameplay without tearing or input lag.

- **100Hz Refresh Rate**
- **1800R Curved**
- **G-SYNC**
- **Low Blue Light**
- **Wide QHD (WQHD) Resolution**

## 100HZ REFRESH RATE

Equip yourself with twice the frame rate of other monitors and say goodbye to image stuttering and blurry motion. With a 100Hz refresh rate every frame is rendered sharply and in smooth succession, so you can line up your shots accurately and appreciate high speed races in all their glory.

## 1800R CURVED

Curved design wraps around you putting you at the center of the action and provides an immersive gaming experience.

## G-SYNC

G-SYNC ensures that the GPU's and monitor's refresh rates are synchronised, which provides a smooth, tear free gaming experience with no input lag. You can enjoy the best quality image and outstanding gameplay even in high paced games.

## WIDE QHD (WQHD) RESOLUTION

With 3440 x 1440 resolution, Wide Quad HD (WQHD) offers superior picture quality and crisp imagery that reveals every detail. The widescreen 21:9 aspect ratio is perfect for watching movies in an expansive format or immersing yourself in the latest game, plus it offers more space when it's time to work. True 8-bit color provides a broad color palette for vibrant, natural-looking images.

## LOW BLUE LIGHT

AOC Lowblue Light protects you from harmful blue light which, during long sessions, has been shown to cause eye strain, headaches, and sleeping disorders. Our Lowblue Light feature reduces the harmful wavelengths emitted without sacrificing color composition, setting the experience free from the worry of eye damage.

GENERAL		ERGONOMICS		CONNECTIVITY INFORMATION	
Model Name	AG352UCG	Height adjust (mm)	120mm	HDMI	HDMI 1.4 x 1
Channel	Gaming	Pivot	No	DisplayPort	DisplayPort 1.2 x 1
Product line	AGON			USB Hub	Yes
Design family	AG2			USB type downstream	2
