16T2

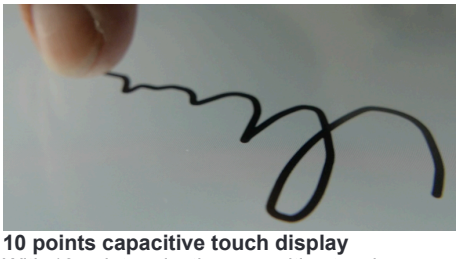
Productivity at your fingertips with the portable, 10-point touch-sensitive USB-C display 16T2

AOC's 16T2 expands your working and gaming space in an instant. The 9mm slim and super light 15.6" IPS display boasts vivid colours and features 10-point projective-capacitive touch recognition. Connect to a laptop or smartphone via USB-C within seconds and is easily set up or stored with the included smart cover.

Features

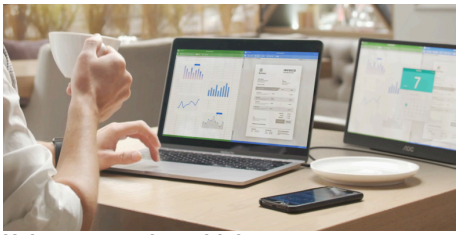
Productivity on the go
Possibilities with the 16T2 are endless. Extend your laptop display on the go or at the home office, use it for presentations, or taking notes during a meeting or lecture. Play videos anywhere, get a digital signature from a client, or boost your smartphone display to play mobile games to a 15.6" size. It's limited only by your imagination.

Portable - compact and lightweight
Thinner than most notebooks and lighter than most water bottles, it fits perfectly in any backpack or purse and is easy to carry.



10 points capacitive touch display
With 10 point projective-capacitive touch recognition technology, the display easily detects 10 fingertips at once. Certified with Windows 10 touch support and compatible with many touch-sensitive applications and games. Great for taking notes on the go, getting a digital signature, or playing your favourite mobile game.

Smart cover
The included smart cover protects your display inside or outside your bag against dirt and damage. When the display is in use, the cover acts as a flexible screen holder, in portrait or landscape mode.



Usb-c connection with laptop or smartphone
Easy connections anywhere you go. With the USB-C ports on two sides of the 16T2, connect a laptop, smartphone or computer in an instant with a single cable. USB-C carries network, data, video signals and power simultaneously with a single cable. No extra clutter. If connected via HDMI, you will need to plug the USB cable to your device to enjoy touch function.

IPS Panel
IPS panel ensures an excellent viewing experience with lifelike yet brilliant and accurate colours. Colours look consistent no matter from which angle you look at the display

GENERAL

Model Name	16T2
EAN	4038986138147
Channel	B2C, B2B
Product line	Style-line
Design family	T2
Launch date (ETA)	9/14/2020

EXTERIOR

Bezel type (front)	SNB
