CURVED MONITOR

1ms

**SHADOW
CONTROL**

The AOC AGON AG272FCX6 is a 27" Full HD curved gaming monitor with 16:9 aspect ratio, 1800 mm curvature and "3-sided frameless" design. 165Hz and FreeSync Premium technology guarantee smooth gameplay.

- **165Hz Refresh Rate**
- **FreeSync Premium**
- **1800R Curved**
- **Flicker Free**
- **Low Blue Light**

165HZ REFRESH RATE

A 165Hz refresh rate, well over twice the industry standard of 60Hz, makes games run smooth as silk. Realize the potential in your graphics card. Forget screen tearing and forget motion blur. Feel your reflexes become one with the action. Never look back.

Freesync PREMIUM

Enjoy the best quality visuals even in fast paced games. The AMD FreeSync Premium Technology ensures that the GPU's and monitor's refresh rates are synchronised, which provides a fluid, tear free gaming experience at highest performance. The AMD FreeSync Premium features a refresh rate of minimum 120Hz, decreasing blur and sharpening the picture for a more life-like experience. The LFC feature eliminates the risk of stutter in case the frame rate drops below the refresh rate.

1800R CURVED

Curved design wraps around you putting you at the center of the action and provides an immersive gaming experience.

LOW BLUE LIGHT

AOC Lowblue Light protects you from harmful blue light which, during long sessions, has been shown to cause eye strain, headaches, and sleeping disorders. Our Lowblue Light feature reduces the harmful wavelengths emitted without sacrificing color composition, setting the experience free from the worry of eye damage.

FLICKER FREE

AOC Flicker-Free Technology utilises a DC (Direct Current) backlight panel, reducing flickering light levels. With eye strain and fatigue absolutely minimized, feel free to enjoy those long, intense gaming sessions in comfort!

GENERAL		CABINET INFORMATION		POWER CONSUMPTION	
Model Name	AG272FCX6	Bezel Colour (front)	Black	Power supply	External
Channel	Gaming	Cabinet colour (backside)	Silver, Black	Power consumption on (Energystar test method) in watts	40,0
Product line	AGON	Cabinet finishing (backside)	Texture	Power consumption standby in watts	0,5
Design family	AG2	Speaker power	3 W x 2	Power consumption off in watts	0,5
Launch date (ETA)	4/5/2019	Built-in Microphone	Yes	Energy class	G
