

## Total comfort and connectivity in a 27" Full HD display with USB-C and KVM

The perfect choice for today's seeking to make the most of every work day, the 27P2C offers a flat 27" IPS/3FL panel with Full HD resolution and wide viewing angles of 178°/178°. Its elegant 3-sided frameless display features a built-in KVM switch. Highly connectable, this model is compatible with HDMI, DP, and USB-C technology, includes a USB 3.2 hub, and offers users an array of comfort options such as a fully adjustable, tiltable, swivelable stand as well as eye-friendly technologies like Low Blue Mode and Flicker-Free.

## Features

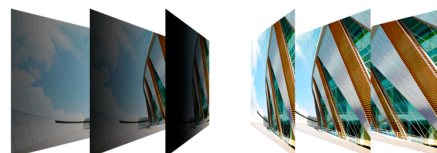

### USB-C Docking

Simplify the connections with one cable only. The USB-C connection provides DisplayPort Alternate Mode for transferring high-resolution video signals from a notebook to the monitor while simultaneously charging the notebook's battery from the monitor with USB power delivery.

### Full Ergonomics

Feel the comfort! AOC's height, tilt and swivel-adjustable stands help you find the most comfortable and healthy position.

### IPS Panel

IPS panel ensures an excellent viewing experience with lifelike yet brilliant and accurate colours. Colours look consistent no matter from which angle you look at the display

### Frameless design

Besides looking modern and attractive, frameless designs enable seamless multi-monitor setups. Your cursor/windows will not be lost anymore in the dark abyss of bezels, when many displays are placed side by side.

### KVM

Share one single keyboard, mouse and monitor between multiple computers with KVM switch hardware.

### Pivot function

Thanks to its pivot function, your monitor can be rotated by 180° from landscape into portrait mode, especially useful for desktop publishing.
