

E2275SWQE

Vibrant viewing, energy-efficient performance

This model targets business and home office users alike. Hidden behind its classically designed case is the latest LED technology. It boasts a high typical contrast, an ultra-fast response time and wide viewing angles for excellent imaging performance. With the i-Care function, the monitor adapts the panel's brightness to the ambient light. This means a more comfortable viewing experience, whilst lowering the energy consumption at the same time. The environmentally friendly display comes in an elegant, textured black finish.
