POWERED BY
AG275QXL

Ready to gain ELO in style? The AOC AGON 27" League of Legends Edition is waiting to accompany you through your next big fights. Equipped with the best specs for MOBAs and embellished with a unique design, this monitor will upgrade your battle station and your in-game experience alike!

- **The first ever monitor crafted for League of Legends fans**
- **Light effects sync up with in-game events for maximum immersion**
- **A completely unique, Hextech inspired design**
- **League of Legends in every detail**
- **Stellar image quality brings the champions to life**
- **A healthy posture during all of your battles**

THE FIRST EVER MONITOR CRAFTED FOR LEAGUE OF LEGENDS FANS

This stunning AOC monitor is revamped in the style of the MOBA and clearly stands out from your average display. League of Legends is represented in every aspect - from the iconic Hextech design and logo to a specific game setting mode. In-game visuals achieve their fullest potential from the combination of AOC's monitor expertise with the creators of League of Legends, Riot Games.

LIGHT EFFECTS SYNC UP WITH IN-GAME EVENTS FOR MAXIMUM IMMERSION

Become one with the game and fully immerse yourself into the action on Summoner's Rift! This AOC monitor syncs up with the MOBA itself and lights up in response to in-game events. Team fights will become even more adrenaline-pumping. Victory never looked this good!

A COMPLETELY UNIQUE, HEXTECH INSPIRED DESIGN

The emerging craftsmanship known as Hextech is a fusion between magic and technology - a new advancement in the world of Runeterra. The artifacts forged with this fabled method are astonishingly powerful and sport a unique and intricate design. Get your real-life piece of Hextech gear with this AOC monitor, as its exterior is embellished with the characteristic pattern!

LEAGUE OF LEGENDS IN EVERY DETAIL

This AOC monitor features some small gadgets to highlight League of Legends in every aspect. The boot up screen and on-screen display are both designed in the style of the MOBA. An external remote lets you conveniently switch between game modes and adjust gaming features on the fly.

STELLAR IMAGE QUALITY BRINGS THE CHAMPIONS TO LIFE

League of Legends is known for its team-based and strategic gameplay. To enjoy the game while maintaining a clear overview over all lanes, the QHD resolution of 2560 x 1440 VESA DisplayHDR400 guarantees stunning image quality. The IPS panel is the perfect medium to display the game in all its glory.

A HEALTHY POSTURE DURING ALL OF YOUR BATTLES

We all know practice sessions can last all night. Therefore, the right ergonomics and customisation to suit your needs are crucial. With the height adjustable stand and a pivot and tilt function of the display, you can always maintain a healthy and comfortable posture.
