

Portable USB-powered monitor with foldable stand

Get the ultimate convenience and portability with this USB-powered monitor that connects to your laptop or PC with a single cable. Easily rotate from portrait to landscape with the foldable stand.

Features

Productivity anywhere you go

More screen real-estate significantly increases productivity. With your monitor connected to your laptop you can be efficient even outside your home or office – when travelling or, visiting customers.

USB monitor 3.0

Discover the freedom and flexibility of AOC's myConnect USB monitors. A single USB cable connects your laptop to the display, completely eliminating the need for extra media cables and a power supply. The USB cable transfers data to the screen, plus acts as an energy-efficient power source. For work or play, these monitors offer optimal portability. Besides ultra-easy connectivity, the innovative stand offers you a variety of viewing options.

Flexi-Stand

The E1659FWU has a foldable flexi-stand for viewing in landscape or portrait mode. Landscape mode is ideal for video conferences, presentations and Excel sheets, while the Portrait mode conveniently gives you an easy vertical view of your instant messaging program, or sidebars such as search results.

Auto-Pivot

Change the orientation of the monitor to automatically align screen content (included AOC i-Menu software needed to activate).

VESA Wall Mount Compatible

The E1659FWU USB Monitor comes with VESA 75 x 75 mm Mount Compliant feature, allowing you to easily mount the USB monitor to any wall.

Carrying case

A carrying case is included in the box to avoid any scratch in the display and add protection to your portable monitor once it is in your bag. Take your dual monitor productivity anywhere with your AOC portable monitor.
