

Slender, stylish 27-inch display with Quad HD resolution, a frameless AH-IPS panel and a variety of built-in multimedia connectors

With its 4-side borderless design, ultra-slim profile and asymmetric stand, this 27" display is a true design statement. Its QHD IPS panel also delivers razor-sharp images in brilliant colours.

Features

Frameless design

Besides looking modern and attractive, frameless designs enable seamless multi-monitor setups. Your cursor/windows will not be lost anymore in the dark abyss of bezels, when many displays are placed side by side.

IPS Panel

IPS panel ensures an excellent viewing experience with lifelike yet brilliant and accurate colours. Colours look consistent no matter from which angle you look at the display

QHD Resolution

With 2560 x 1440 resolution, Quad HD (QHD) offers superior picture quality and sharp imagery that reveals the finest details. The widescreen 16:9 aspect ratio provides plenty of space to spread out and work, plus allows you to enjoy games or movies in their original size.

Slim Design

Sometimes, less is more: With its minimalistic, slim profile, this monitor seamlessly blends into your working environment instead of obstructing your vision with a bulky casing. Enjoy more space on your desk, easy transportation and an appealing design with this slick, lightweight display.

GENERAL	
Model Name	Q2781PQ
Channel	B2C
Product line	Style-line
Design family	81 ID
Launch date (ETA)	7/1/2016
EAN	4038986185813
