

Total comfort and connectivity in a 27" Full HD display with USB-C and KVM

The perfect choice for today's seeking to make the most of every work day, the 27P2C offers a flat 27" IPS/3FL panel with Full HD resolution and wide viewing angles of 178°/178°. Its elegant 3-sided frameless display features a built-in KVM switch. Highly connectable, this model is compatible with HDMI, DP, and USB-C technology, includes a USB 3.2 hub, and offers users an array of comfort options such as a fully adjustable, tiltable, swivelable stand as well as eye-friendly technologies like Low Blue Mode and Flicker-Free.

Features

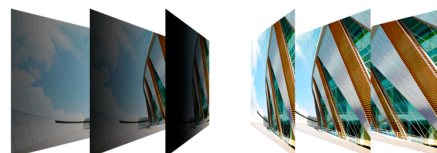

USB-C Docking

Simplify the connections with one cable only. The USB-C connection provides DisplayPort Alternate Mode for transferring high-resolution video signals from a notebook to the monitor while simultaneously charging the notebook's battery from the monitor with USB power delivery.

Full Ergonomics

Feel the comfort! AOC's height, tilt and swivel-adjustable stands help you find the most comfortable and healthy position.

IPS Panel

IPS panel ensures an excellent viewing experience with lifelike yet brilliant and accurate colours. Colours look consistent no matter from which angle you look at the display

Frameless design

Besides looking modern and attractive, frameless designs enable seamless multi-monitor setups. Your cursor/windows will not be lost anymore in the dark abyss of bezels, when many displays are placed side by side.

KVM

Share one single keyboard, mouse and monitor between multiple computers with KVM switch hardware.

Pivot function

Thanks to its pivot function, your monitor can be rotated by 180° from landscape into portrait mode, especially useful for desktop publishing.
