

Comfort, convenience, and performance in a 23.8" Full HD display with DisplayPort

The 24P2Q is equipped with a flat 23.8" IPS/3FL panel with Full HD resolution and 178°/178° wide viewing angles in a slim 3-sided frameless display. Designed to offer today's business the heightened productivity they seek, this model is compatible with VGA, DVI, HDMI, and DP and includes a USB 3.2 hub. Equipped with Low Blue Mode and Flicker-Free technology, it can be adjusted, tilted, pivoted, and swiveled to the ideal ergonomic position.

Features

Full Ergonomics

Feel the comfort! AOC's height, tilt and swivel-adjustable stands help you find the most comfortable and healthy position.

IPS Panel

IPS panel ensures an excellent viewing experience with lifelike yet brilliant and accurate colours. Colours look consistent no matter from which angle you look at the display

Frameless design

Besides looking modern and attractive, frameless designs enable seamless multi-monitor setups. Your cursor/windows will not be lost anymore in the dark abyss of bezels, when many displays are placed side by side.

TÜVRheinland **CERTIFIED**

TÜV Rheinland - Certified eye comfort

TÜV Rheinland - Certified eye comfort At AOC we focus on eye protection and eye comfort, to reduce negative symptoms such as eye strain, headaches and blurred vision. That's the reason why we cooperate with the national certification body (NCB) TÜV Rheinland, which acts both as a third-party testing and an eye comfort certification, in an impartial and independent way. This certification answers safety and quality standards demands by users, who are now so sure they have chosen the best product for their workstations.

Pivot function

Thanks to its pivot function, your monitor can be rotated by 180° from landscape into portrait mode, especially useful for desktop publishing.

Speakers

Built-in speakers make it easy to catch up with family, friends and colleagues. For movies, music, games and more, you'll enjoy quality audio without the hassle of connecting external speakers.
