

## Productivity at your fingertips with the portable, 10-point touch-sensitive USB-C display 16T3E

AOC's 16T3E expands your working and gaming space in an instant. The 9mm slim and super light 15.6" IPS display boasts vivid colours and features 10-point projective-capacitive touch recognition. Connect to a laptop or smartphone via USB-C within seconds and is easily set up or stored with the included smart cover.

## Features

### IPS Panel

IPS panel ensures an excellent viewing experience with lifelike yet brilliant and accurate colours. Colours look consistent no matter from which angle you look at the display

### Auto-Pivot

Change the orientation of the monitor to automatically align screen content (included AOC i-Menu software needed to activate).

### USB-C

One cable is all you need. The USB-C technology carries both the power and the display signal to the screen in one cable. It not only looks ultra-clean and sleek but also greatly improves portability of the monitor.

### Business meetings

An AOC portable monitor is the perfect solution for business meetings. You can share with your customers and partners a document, or a presentation, while keeping an eye on all other apps you need for work on your laptop. This helps in delivering tasks with no distractions, for you and your audience.

### Productivity anywhere you go

More screen real-estate significantly increases productivity. With your monitor connected to your laptop you can be efficient even outside your home or office – when travelling or, visiting customers.

### VESA Wall Mount Compatible

The E1659FWU USB Monitor comes with VESA 75 x 75 mm Mount Compliant feature, allowing you to easily mount the USB monitor to any wall.
