

AOC AD100 dual monitor arm with 360° pivot range and tilt function

Game on one screen, browse for tips and tricks on the other: The AOC AD100 dual monitor arm can hold two up to 27" displays at once. You can adjust your monitors precisely into any direction, with a 360° pivot range and wide-tilt angle. The mechanical gas spring system ensures your displays will always stay at the intended position. Additionally, an integrated system for cable management gives your setup a look.

GENERAL

Modelname	AD110D0
Channel	B2B, B2C
Product line	Pro-line
Launch date (ETA)	7/7/2021

PRODUCT INFORMATION

Ergonomic adjustment system	Gas Spring
Supported monitor size range	13" - 32" (each monitor)
Built in cable management	✓
Weight capacity Range	2 - 9 Kg (each monitor)
Maximum height	440 mm
Adjustable height range	320 mm
Stretch length range	460 mm
Tilt range	-45° ~ +60°
Swivel range	-90° ~ +90°
Pivot range	360°

CONNECTIVITY

VESA plate monitor mount	75x75mm, 100x100mm
Desk mount base	Clamp, Grommet mount
Clamp mount table thickness range	1.5 cm – 8 cm
Grommet mount table thickness range	1.5 cm – 8 cm
