

Comfortable, wired gaming mouse with durable switches, 10 buttons, RGB and G-Menu.

The new AGM600 with its super accurate 16K DPI Pixart gaming sensor allows flawless movement and precision. Never lose grip with our dual injected silicone side grips and stay comfortable with the special protective mouse coating. Our software G-Menu allows you to customize the RGB LED Lighting, the sniper button, and other features. Experience durability longer than ever before through carefully selected Kailh switches for up to 80 million clicks.

UMUM

Nama model	AGM600
Saluran	Gaming
Lini produk	AGON

Bentuk	Ergonomic, Right handed
Tempat istirahat jempol	□
Jenis tombol mouse	Kailh
Daya tahan tombol mouse	80 Million Clicks
Jumlah tombol	10 (10 programmable)
Penerangan	16.8 million colours
FX sinkronisasi ringan	□
Memori internal	2 profiles

KEPATUHAN TERHADAP PERATURAN

CE	□
EAC	□

KONEKTIVITAS

Konektivitas	Wired USB 2.0
Tipe Kabel	Braided
Panjang kabel	1.8 m

GARANSI

Masa garansi	2 years
--------------	---------

DIMENSI PRODUK

Berat Produk (Mouse Saja)	115
Dimensi produk (LxTxD) mm	73.9x43.3x130.5
Berat produk kg	146
Dimensi kemasan (PxLxT)	125x55x180
Berat kemasan kg	254

INFORMASI SENSOR

Sensor	Pixart PMW3389
Jenis sensor	Optical
DPI	16000 Real DPI
IPS	400IPS
Percepatan	50G

KESESUAIAN

Perangkat lunak	AOC G-Menu
Sistem operasi	Windows
