

Features

Three-Year Warranty

AOC stands behind the quality of each and every monitor with a generous three-year warranty starting from the original date of purchase. Within the warranty period, any AOC displays with manufacturing defects or faulty components will be repaired or replaced at no additional charge.

Touch technology

With the touch of your finger, you can use your screen in a whole new way! This special interface lets you use your hands or a stylus to intuitively interact with the screen using natural gestures like tap, swipe or rotate. It's ideal for playing games or using the latest apps, plus you'll enjoy the break from your keyboard and mouse.
