

Reliable 18.5" monitor for everyone

This compact 18.5" display delivers a good performance for home users. It also helps them save costs with its modest energy consumption, and offers tilt and wall-mount options.

Features

Kensington Lock

Kensington Lock is an anti-theft system, comprising a metal-reinforced hole in the body of the respective device, to use with a metal cable secured with a key/lock system. Kensington locks enable you to secure your AOC monitor during a LAN event, an organisation, or wherever you carry it.

Vesa Mount

AOC's Ergo Base stands bring versatility, sturdiness and ease of use in one package. But do you still want to use your wall mount or multi-monitor setup using desk mounts? VESA mounts bring you the uppermost flexibility. Upside-down, in pivot mode, on top of each other, attach your monitor wherever you want using 3rd party mounts and stands thanks to the VESA mount option.

| GENERAL | |
|-------------------|---------------|
| Model Name | E970SWN |
| EAN | 4038986193788 |
